MOOD:  monday all week

MUSIC: the silence of an early-morning office without Duke or Dad

there is paperwork.

And never have I wished I could type no-handed quite so much, O.

(Hey, did you heard from the not-a-Boy this weekend? I feel like I've missed all the gossip.)

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

Precious little time for Boys or Not-a-Boys, given that too many people were running around in search of that old time religion.

There was phone call. It did not involve phone sex. But it was okay.

This is the agreed-upon compromise, yes.

But the second I see grappling hooks, I'm outta here.

...I would miss the burritos, though.

It's not that Dad is noisy, really. I think what you sense is lowered background radiation.
